Repair Facility Guidelines for Claims Handling

Follow these steps when handling a claim:

1. Advise **Contract** holder that evaluation of a **Failure** does not mean that the repair is covered under this **Contract**. All covered repairs must receive prior authorization from **Administrator**.
2. Have **Contract** holder authorize inspection/tear down of the **Vehicle** to determine **Failure's** cause and cost to repair. Save all components, including fluids and filters, should **Administrator** require outside inspection. Notify **Contract** Holder that cost of tear down will not be paid if it is determined that the **Failure** is not covered under this **Contract**.
3. Determine the cause of **Failure**, correction required and cost of the repair(s).
4. Contact **Administrator's** Claims Department at **800-526-0929** to get authorization to proceed with the claim. Be prepared with the following information when placing the call:
 - a. Customer's Name and **Contract** Number.
 - b. Cause of **Failure** and recommended correction.
 - c. Cost of repair(s).
5. A Claims Advisor will verify **Coverage** and do one of the following:
 - a. Approve Claim - If approved, **You** will be given an authorization number to be recorded on the repair order. The authorized amount is the maximum that will be paid. Additional amounts must receive prior approval.
 - b. Require Additional Evaluation, Inspection or Tear Down - **Administrator** may require an inspection prior to repair being completed. If a tear down is required to determine cause of **Failure**, **Contract** holder must authorize same. Notify **Contract** holder that if the repair is not covered, then **Contract** holder will be responsible for cost of the tear down. Repair facility should save all components requiring inspection, including fluids and filters. The Claims Advisor will arrange for the inspection. If inspection is not made within forty-eight (48) hours, contact the Claims Advisor.

- c. Deny the claim and provide the reason for the denial.
6. Review **Administrator's** findings with **Contract** holder as well as what will be covered by **Contract** and what portion of the repair(s), if any, will not be covered.
7. Obtain **Contract** holder's authorization to complete repair(s). All repair orders must have customer's signature to qualify for payment.
